One theory has it that the hissing noise a cat makes is a product of evolution where felines have learned to hiss much like a snake does.
OH!!
Really?
AREN'T SNAKES AND CATS NATURAL ENEMIES?

LET'S PLAY WITH THIS ONE NEXT.
I'VE BEEN THINK-ING...
AREN'T YOUR HANDS A LITTLE TOO SMALL TO BE HOLDING THOSE COM-FORTABLY?
NOT REALLY, I'M OKAY.
HMM, I DON'T KNOW...IT MIGHT BE DANGER-OUS IF YOU LOSE YOUR GRIP OR SOME-THING.
LET ME HELP HOLD IT, JUST IN CASE.
JUST LET ME KNOW IF IT GETS TOO HOT.
